25 November 2024 · Munich · Business Area: Restructuring

The team under Mr Ludwig Stern and Ms Laura Holzmannstetter from PLUTA Management GmbH has found an investor for insolvent company Rise Up Fashion GmbH from Berlin. A subsidiary of Snocks GmbH has acquired the fashion company, known under the sportswear brand Oceansapart. The PLUTA team coordinated the entire process of finding an investor, from the preparation of the documents for the data room and the contract negotiations through to the signing of the transaction.

The asset deal was carried out with the opening of the insolvency proceedings on 1 November 2024 and the parties have agreed not to disclose the purchase price.

Restructuring expert Mr Stern said, "We are delighted to have found an investor with experience in this industry for the company. The process went well. There was very strong interest from national and international investors." Those responsible held discussions with private equity buyers and strategic investors during the process. Snocks ultimately won the tender, having been the strategic investor to submit the best offer.
